Facility Information:

Albert's Dog Lounge operates primarily as a foster home based rescue for senior and special needs dogs. Albert's Dog Lounge works with out-of-state rescues (primarily in TX and TN) and accepts transfers and surrenders from within Wisconsin. Home custody providers are located in TX, TN, and WI.

An outbuilding on Lewis' property is used to house dogs upon arrival from transport. Dogs leave this location the same day with their adopters or fosters. The building is heated and cooled as necessary with welded wire enclosures used to house dogs temporarily.

Lewis also acts as a foster location. Dogs housed with fosters live with families in the home. Dogs housed with Lewis receive exercise in fenced outdoor exercise areas. Albert's Dog Lounge provides instructions to foster homes on caring for rescue dogs.

Electronic records are kept.

Inspection Summary

- On 5/24/2023, I, Tony Centracchio, Companion Animal Inspector with DATCP conducted a routine inspection at N7285 Woodfield Lane, Whitewater, WI
- I was accompanied by Mandy Lewis (Founder) during the inspection
- All dogs present in the home appeared in good condition and had access to clean food, water and enrichment
 - 17 dogs were currently under the care of Albert's Dog Rescue
- The facility was clean, well-ventilated, temperature controlled and in good repair at the time of inspection.
- All records reviewed were complete and accurate, except as noted

Violations

ATCP 10.80 Dogs and domestic cats; imports.

(1) Certificate of veterinary inspection. Except as specified under sub. (3), no person may import any dog or domestic cat into this state unless it is accompanied by a valid certificate of veterinary inspection.

- **Dogs with the names "Anka", "Puddin Pie" and "Olivia" were imported on an unapproved APHIS 7001 form**

Discussion Summary

- Discussed the APHIS 7001 form and why it is unapproved for import
 - It lacks a pre-printed serial number
 - It can be accessed and completed by anybody which reduces accountability and makes it easier to falsify. CVI's should only ever be completed by a licensed veterinarian
- If a dog is treated for heartworm, it must be documented on the CVI that treatment was completed and the dates of treatment

Results

- **Passed**
